

**Please Note:**

Use the Product Drawing for all design activity

---

**Product Type Features**

---

<b>Cable Assembly Category</b>	Industry Standard
--------------------------------	-------------------

<b>Cable Assembly Type</b>	Modular Plug
----------------------------	--------------

<b>Performance Category</b>	Cat 5e
-----------------------------	--------

<b>Assembly Type</b>	Modular Plug to Modular Plug
----------------------	------------------------------

<b>Color</b>	Blue
--------------	------

<b>Keyed</b>	No
--------------	----

---

**Dimensions**

---

<b>Length (M [ft])</b>	3.048 [10.00]
------------------------	---------------

---

**Body Features**

---

<b>Boot</b>	Without
-------------	---------

---

**Configuration Features**

---

<b>Configuration</b>	Double Ended
----------------------	--------------

<b>Number of Positions</b>	4 Pair
----------------------------	--------

<b>Number of Power Positions</b>	0
----------------------------------	---

---

**Industry Standards**

---

<b>Flammability Rating</b>	Non-Plenum (CM Rated)
----------------------------	-----------------------

<b>RoHS/ELV Compliance</b>	RoHS compliant, ELV compliant
----------------------------	-------------------------------

<b>Lead Free Solder Processes</b>	Not reviewed for lead free solder process
-----------------------------------	---

<b>RoHS/ELV Compliance History</b>	Converted to comply with RoHS directive
------------------------------------	---

---

**Environmental**

---

<b>Halogen Free</b>	No
---------------------	----

---

**Conditions for Usage**

---

<b>Wire Size - Details</b>	24 AWG
----------------------------	--------

---

**Operation/Application**

---

<b>Application</b>	Data and Phone
--------------------	----------------

---

**Product Availability**

---

<b>Region</b>	Asia
---------------	------

---

**Other**

---

<b>Brand</b>	TE Connectivity
--------------	-----------------

---
